But Ora Phillips's mine, Western Sahara, has phosphorus fertilizer manufacturers and their former clients face an ethical decision about human rights if sourcing and phosphate from Western Sahara. Action.

By Ora Phillips, mine, Western Sahara, phosphorus fertilizer manufacturers and their former clients face an ethical decision about human rights if sourcing and phosphate from Western Sahara. Action.

"As long as Morocco is able to exploit the natural resources of the country it has no motive to settle the conflict over Western Sahara, so the conflict over Western Sahara is not a matter of politics, it is a matter of human rights," said Ora Phillips, regional coordinator for Western Sahara.

"We have to face the facts. We have to face the reality. The conflict over Western Sahara is not a matter of politics, it is a matter of human rights."}
